- **\$4,124** in interest **saved** for recipients
- Families experienced **job advancements and improved wages**
- Increased **community engagement** and **access to services**
- **\$86,191** funds raised

MESSAGE FROM OUR EXECUTIVE DIRECTOR

2024 has been an incredible year for Cars for Keeps—we welcomed six new recipient families into our program, bringing the total to seven families now benefiting from reliable transportation.

Thanks to our Dependable Vehicle Program, these families now have improved access to essential resources such as community services, after-school programs, and higher-paying job opportunities. We continue to work on financial literacy to help each family build long-term financial stability.

You can be part of this impact by becoming a Passenger—a monthly donor contributing just \$25. Your support drives change, one family at a time. www.carsforkeeps.org/donate

– Cory Shively, Executive Director
